Sensational!

The Sophomore Class was outgoing in sports, with basketball, football, track, volleyball, cheerleading, etc. The class officers were Brian Buhr, President; Brett Smeiles, Vice President; Traci Morton, Secretary, and Matt Mechtel, Treasurer. The Sophomores had a very busy year with selling things, field trips, and keeping up with surrounding happenings. All in all, the sophomores had a sensational year.

The Juniors had an exciting year. Keeping them busy was the planning of the Junior-Senior Banquet and Prom. To help raise money for the Prom, they sold magazines. "The Worm Shall Squirm" was the name of the class play presented on November 30. The year as juniors was surely memorable.

Juniors-Back Row: Lori Pfeffer, Amy Evenson, Missy Folstad, Shelly Thompson, Jorum Soyland, Laurie Satrom, Kathy Rose. Front Row: Bret Sorensen, Brent Buhr, Perry Brown, Scott Flickenger, Scott Erickson.

Eighth Grade-Back Row: Lori West, Keith Patterson, Jennifer Buhr. Middle Row: Shawn Erickson, Mike Hogan, Mike Anderson, Leslie Iverson. Front Row: Mark Stevens, Jennifer Pederson, Daryl Wheeler.

If you heard a lot of laughter, yelling, or screaming, it was more than likely the eighth grade class adding a little excitement to the school. Even though they were fooling around quite a bit, they got down to business once in awhile.

The class was under the assertive leadership of Keith Patterson. Daryl Wheeler was ready and waiting to take his place as vice-president. Lori West kept the minutes for future reference, she was secretary. Mark Stevens kept an eye on the class' money as treasurer. What money?? The voice of the class was Leslie Iverson, our student council representative.

Live, Learn, And Laugh

The Freshman had a fantastic year. They were always busy with homework and sports. They did a lot of goofing around, but occasionally got down to business, and got their homework done in class. The class officers were Keith Koenig, president; Rick Forderer, vice-president; Craig Burchill, secretary and treasurer. The year went by fast, and they had a lot of fun.

Freshman-Back Row: Corey Alm, Keith Koenig, Dan Holden, Lisa Mewes. Middle Row: Richard Satrom, David Garnas, Kristi Thompson, Craig Burchill. Front Row: Michelle Kringen, Darci Nelson, Marsha Evenson, Rick Forderer.

The secret

Wouldn't you like to know.

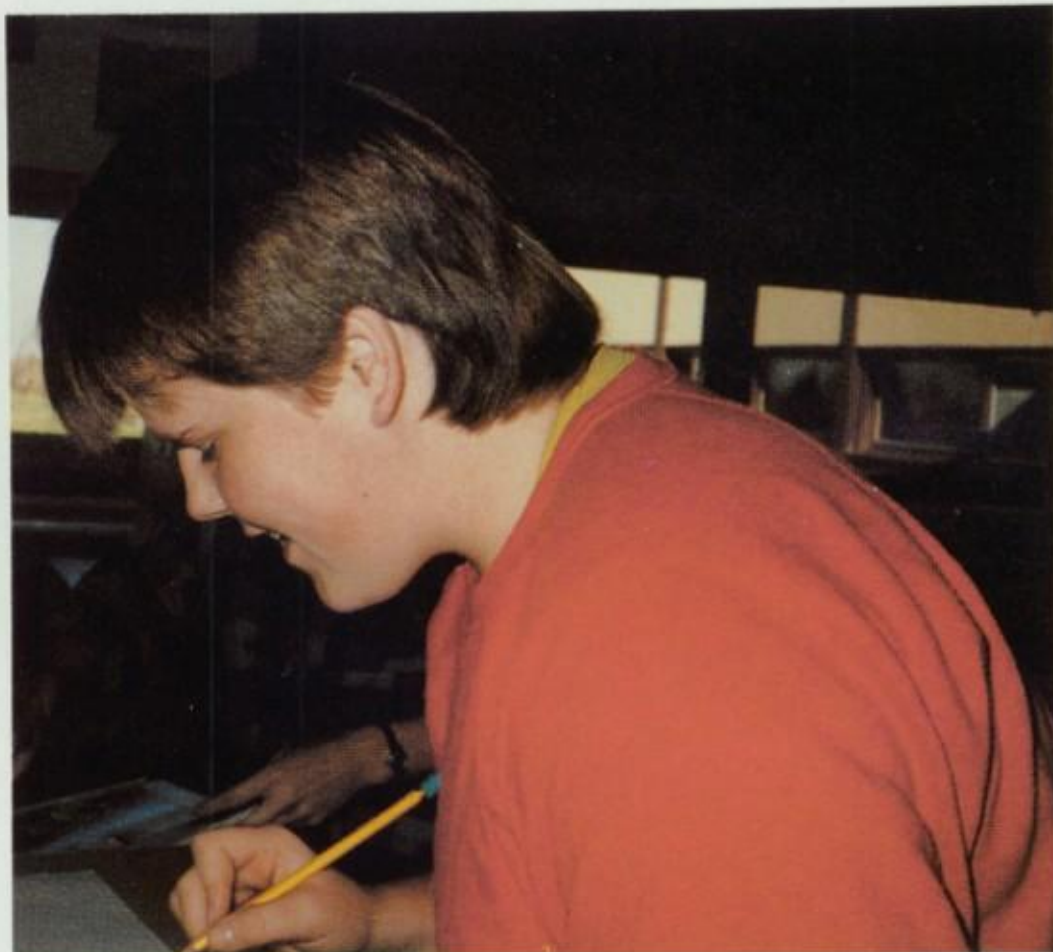

Oh, what have we here.

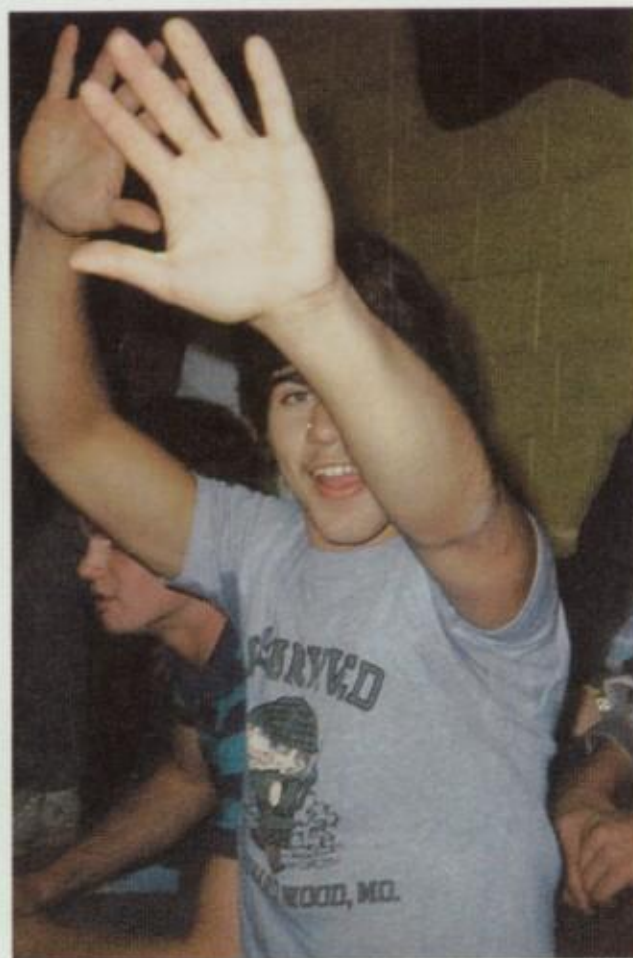

School is strenuous.

Really, Laura, who are you trying to fool.

Passing one of Mr. Sorensen's tests.

Raise your hand if you're sure.

I told you I was coordinated.

Say cheese.

Seniors Have Class

Hard-Workers

If you saw someone with his head buried in a book, it was probably a sixth grader. Last year's class was very studious and hard-working. Besides their general curriculum of math, social studies, science, reading, and language, the sixth grade had fun with their spook house, candy sales, and a field trip. Most of the students were involved in sports throughout the year also.

The seventh graders had a new experience this year. It was a big switch from "BIG" sixth graders to "little" seventh graders. The class officers were: President-Teresa Treitline, Vice President-Nichole Miller, Secretary-John Mewes, Treasurer-Mike Mewes, Student Council Representative-Travis Forderer.

Sixth Grade-Back Row: Heather Pederson, Debbie Koenig, Mellissa Alm, Brian Patterson. Middle Row: Mrs. Tweed, Marby Hogen, Daniel Thompson, Jason Wahl. Front Row: Bruce Wheeler, Tania Erickson, Terry Burchill, Stacy Burgard.

Seventh Grade-Back Row: Karen West, Mike Mewes, Nichole Miller, John Mewes. Middle Row: Travis Forderer, Suzy Flickinger, Jennifer Mitzel. Front Row: Char Burchill, Jon Erickson, Ryan Erickson, Teresa Treitline.

4th Grade-Back Row: Kristi Erickson, Erin Miller, Allison Lang, Stacy Wahl. Middle Row: Mrs. Wick, Benji Hiam, Tricia Burchill, Eric Pilgrim, Tammy Treitline. Front Row: Casey Mitzel, Tara Langdahl, Lynella Suhr, Jeanna Wick.

5th Grade-Back Row: Mrs. Tweed. Front Row: Michael Long, Melissa Mechtel.

Hard Workers

The 4th graders were asked to write three of their favorite things about school, and here was what some of them wrote: art and reading were rated number one, but phy-ed, math, recess, and music weren't too far behind. Of course, all the kids liked their teachers, Mrs. Wick, and Miss Schatz who taught them science and social studies.

"Strength in numbers" would not have been a good motto for our two 5th graders, but they were strong in many ways. They were hard workers and quick learners. Since we had only the two students, they studied mostly 6th grade curriculum.

Second Grade-Back Row: Ryan Burley, Jackie Koenig, Preston Koenig, Daniel Lindseth. Middle Row: Mrs. Miller, Thomas Punton, Rachael Bloom, Andrea Nelson, Nathan Erickson. Front Row: Heather Weik, Michelle Bankers, Jill Heidorn, Tiffany Erickson.

The second grade students were busy with studying reading, phonics, math, language, spelling social studies, and science. Last year they also exchanged letters with new Pen Pals from Gainesville, Florida. Part of their time was spent experimenting with new programs for the computer.

Great Excitement

This past year there were fourteen first graders, all reading with great excitement and reporting on their books. In math, the children worked with addition, subtraction, time and money and were quite skilled in handwriting. Various art projects developed the children's interests in the use of different media. What a fun and exciting year it was!

"Sugar and spice and everything nice" was very evident in the kindergarten class since there were twelve girls and one lone boy. But he survived. They were all so excited about discovering all sorts of new things that they hardly noticed. With the change of the kindergarten year from 50 days to 75 days, there was lots of learning that went on in those fresh minds.

Don't look so excited.

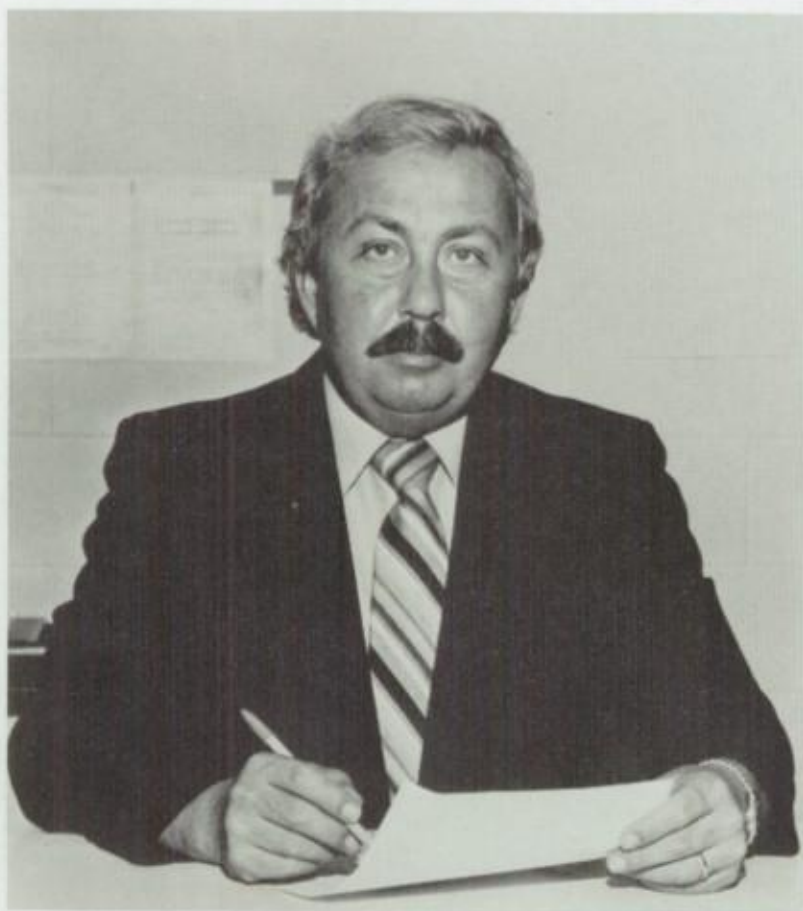

Take it away, Corey!

Decisions

The Page School Board was busy with decision making and policy establishment for the school. Building repair and maintenance were time consuming items this year. Improvements were made in the gym tile, locker rooms, telephone equipment and science lab. Reviewing budgets, staffing, and transportation needs were always pertinent items.

Moral Support

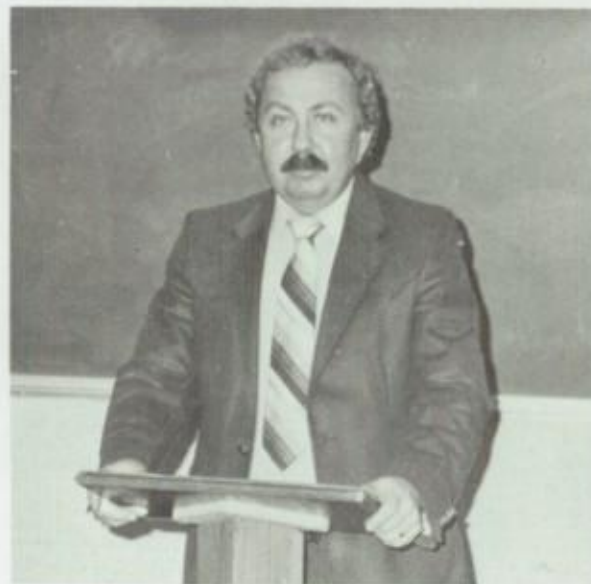

The Booster Club, led by Murray Patterson, had freethrow contests at half-time of the BB games. They were responsible for painting our scoreboard table, as well as helping to pay for the new scoreboard for the football field in addition to the press box. They gave lots of moral support at the games we participated in.

They plan on selling sweaters to wear at the games we participate in. We appreciated all their help and support.

The School Mothers took on the project of selling concessions from the cafeteria for girls and boys basketball games in 1984-85. New purchases have been materials for a taping table for the girls locker room, silverware containers, dishcloths, a crockpot and a twelve cup coffeemaker. Future projects are the discussion for possible help with backdrop stage curtains and exploring the necessity of a computer in the elementary.

Special People

These are some special people that some take for granted. The cooks were forever busy cooking us a delicious breakfast or making us super dinners, and then cleaning up and washing dishes for us. The janitors always had something to do, either running errands, fixing things, or cleaning up messes. What would we do without them?

The bus drivers always got us to school on time, even if the weather wasn't good.

This group of people was like a leaning post for the regular staff. Mrs. Pinke and Mrs. Asher assisted the staff with special problems. Mrs. Goter was a big help in the fifth and sixth grade class. Mrs. Stibbe helped anyone who needed help in the library and her two aides assisted her. Mrs. Thorson, of course, helps everyone with almost anything that's needed.

Busy, But Fun

Our F.H.A. group had a busy year with various activities. Our main concern was fund raising. We had a fun night which went fairly well. There was bingo, trivia and much more. Another idea for money making was a Cake Walk. We had it after a basketball game. Although we put in a lot of work for these activities, we still had our fun. We had a Christmas party and exchanged gifts. Afterward we went caroling. Everyone enjoyed the year.

The annual staff had another very busy year with book sales, add sales, and of course doing pages. The officers and staff worked hard to make the book a success.

Annual Staff - Back Row: Amy Evenson, Shelly Thompson, Kathy Rose, Missy Folstad, Laurie Satrom, Brenda Johnson. Front Row: Sara Thompson, Mindy Mechtel, Miss Sharon Schatz, Michelle Bower, Cheri Carlson.

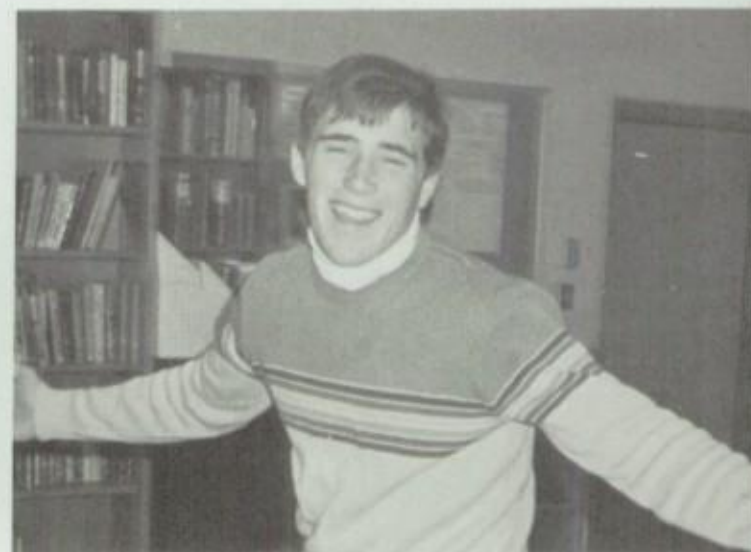

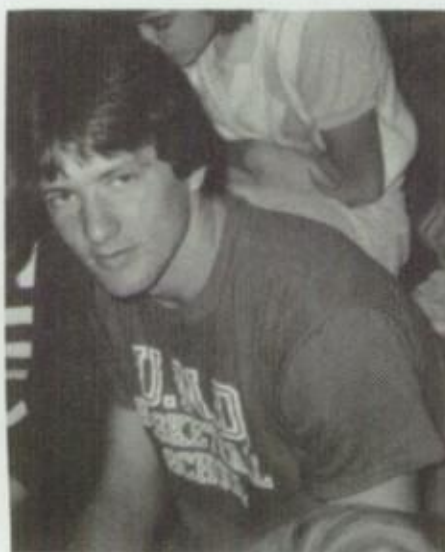

Well Rounded

The Speech Team was quite well rounded having had entries in eleven different speaking categories plus a one act play entitled "Drive In," which included these people; Neil, Shelly, Cheri, Steve, Matt, Brenda, and Brett. The speech categories included humorous, serious, dramatic poetry and extemporaneous interpretation, dramatic duo, speeches to inform, persuade, and entertain, broadcasting, and extemporaneous speaking.

Other than planning activities, the Student Council was working on establishing a constitution. Their activities included organizing the Homecoming pep rally, dance, and the election of royalty. They were also responsible for organizing a game day for Christmas which ended up stormed out.

Unexpected Accomplishments

The Page Girls Basketball Team ended the 1984-85 season with a 9 and 11 record, but had several accomplishments which were not expected. They placed third in the Barnes County Tournament and as sixth seeded team in the District IV, they upset the third and fourth seeded teams to capture third place. Michelle Bower was named to the Barnes County All-Tournament Team, Tall Towers All-Conference, All-Cass County First Team, and was KOVC Player of the Week. Missy Folstad was named to the Barnes County All-Tournament Team, Tall Towers Honorable Mention, and All-Cass County Second Team. Laura Iverson was also named to the All-Cass County Second Team.

Improving Skills

The C-Squad had a lot of hustle and enthusiasm through out the year. They may have started out slow, but caught up fast. Their record ended up as 5-5, and they also took the title of the Little Yellowstone Conference Tournament which was held at St. Katherines in Valley City.

The B-Squad had a fun year working with each other, improving their skills, and learning how to handle pressure. They worked really hard even though their record of 2-15 didn't show it. But altogether it was a great season!

Excitement

Excitement! That's the best way to describe the 1984-85 Boys Varsity Basketball season. The Panthers posted a remarkable winning season with 21 wins and 3 losses. They were crowned Barnes County Champions. Along with this, we had three All-Tournament Team members; Brian Buhr, Brent Buhr, and Bret Sorensen. We were also the Tall Towers Conference Champions. We won the District TV Championship and the Spirit Award, which can be somewhat accounted to for the tremendous support of the students, band members, faculty, alumni, parents, and fans. Coach Lang was voted Co-District IV Coach of the Year. we then went on to finish second in the Region I final, losing only to Ellendale. All in all, it was a most enjoyable season for everyone who was involved.

Boys B-Squad Basketball Team-Back Row: Student Manager Tod Erickson, Coach Neil Goter, Scott Flickinger, Jason Miller, Keith Koenig, Brett Smeiles, Dan Holden, Student Manager Brian Suhr. Front Row: Rick Forderer, Craig Burchill, Steve Johnson, Corey Alm, David Garnas, Richard Satrom, Scott Wahl.

Quickness And Ability Go Together

The Boys C-Squad had a super season. Their quickness and ability kept them on top. They had a few set backs, but with their energy they never gave up. Their record was 12-2. At the Tournament at Fingal they had taken 2nd. place. Altogether they improved greatly and had a fun year.

The Boys B-Squad had a great team this year. They worked together and had a lot of confidence. They had only lost 2 games which were very close ones at that. They made up for the few losses, by having 17 wins, and taking first in the B-Squad Tournament held at Clifford-Galesburg. There was also a Freshman team who's record was 1-4. They also took second place at the Freshman Tournament.

"Successful" Season

The cheerleaders had a very "successful" season this year. The Football Cheerleaders survived the weather and supported the team to an excellent 8-1 season. The Basketball Cheerleaders shared the honor with our fans and team of winning the Spirit Award at the District Tournament. All the cheerleading squads should be commended on their fine effort and helping to improve the overall spirit of our school.

The Whiz Kids

The elementary students at Page had their share of activities too. The D-squad boys team placed third in their tournament, while the D-squad girls team took first in theirs.

In the spring everyone participated in the annual elementary track meet. Many parents and grandparents showed up to root on their favorite young athletes.

Also, for the first time this year grades K-6 participated in a fun activity which involved balloons. On a cold, windy March day, each student released a balloon into the air. Attached to the balloon was a note asking for a response if it had been found. What a beautiful sight it was to see the balloons drifting in the sky!

A Great Time Was Had By All

It was a fun year for the volleyball team. We didn't have many games but we sure had a great time. We played in two jamborees this year, one at Oak Grove and one in Kindred. Jamie Tysdal was our coach and her husband Bruce even came to our games to supervise. There were many young kids on the team and we expect a good deal of progress from them next year.

Homecoming '84

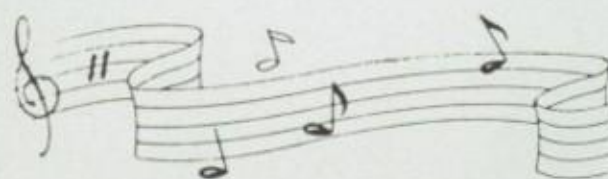

Homecoming week 1984 was very exciting! It started on Wednesday with mismatch day, Thursday was dress-up day, and Friday was maroon and white day. There was a big pep rally on Thursday night and everyone got fired up to beat the Cass Valley North Eagles. Later, we all crowded outside and burned the "E". Friday, the juniors received the Spirit award, and everyone cheered the team to a powerful win of 64-24! That night a dance was held to celebrate the victory.

Musical Youth

This year throughout the school, concert voices and instruments could be heard everywhere. It was especially busy when we were preparing for contests. A Feast Of Fun

The Junior-Senior Banquet was opened with a welcome from Missy Folstad, and from that point on the fun began. After the invocation by John Lang, Mr. Mitzel gave a few words of wisdom to the group. Dinner was served by the junior mothers and devoured by those present. The class prophecy was humorously read by Scott Flickinger and Bret Sorensen. Tom Burchill read the senior wills and thanked those present. Mr. Lang closed the festivities with the benediction.

Honorable Mentions

Outstanding scholars, athletes and musicians were once again honored at the Awards Banquet, which was held the 20th of May. Some of the major awards given that night were for outstanding senior, which went to Tom Burchill. Outstanding senior athletes were Michelle Bower and Rick Anderson. The National Choral award went to Neil Munro, with Tom Burchill being the recipient of the John Phillip Sousa award. Tom Burchill was honored as Valedictorian and Donna Kringen as Salutatorian. All this, and the fine meal, made it a night to remember.

"You're All I Need"

With a rainbow of colors and balloons as the setting, "You're All I Need" as the theme, and a cast of couples, the prom was underway. It began with the traditional grand march and then dancing to the tunes of "Double Take". Jennifer Buhr and Lori West were available to pour punch for the couples. All in all it was a night to remember.

Norway's Spice Of Life

Once again the Page School participated in the foreign exchange program. Jorunn Soyland, a very active girl from Norway, became a member of the junior class for a full year. Her residence, while in Page, was at the home of one of her classmates, the Alan Pfeffers. She was a very active participant in school activities, which included speech, girls basketball, volleyball, band, chorus, and FHA. Jorunn added lots of fun and spice to the Page School.

Nights Of Delight

Two programs were presented by the elementary students this year. Carol Meyers was in charge of the Christmas program, which involved a skit entitled "Achoo! The Sneeze That Saved Christmas," and was performed by grades 1-3. Another skit entitled "The Town Hall Christmas Tree," was performed by grades 4-6. The spring program included a variety of skits, poetry, dances, and other delightful entertainment. The grand finale included grades K-6 singing their rendition of "We Are the World."

In Memory . . .

Joyce Hope (Wennerstrom) Idso was born May 28, 1932. She grew up and attended high school at Colgate, N.D. She graduated from Moorhead Teachers College and went on to teach at Fordville and Ayr, and later became a teacher's aid at Page. On November 22, 1983, she died at the age of 51 after having cancer for 13 years.

Joyce always commented on how she loved working with the students and the teachers at Page and looked forward to going to school every day. She would be grateful to know that through this dedication, the Page School appreciated her as much as she appreciated them.

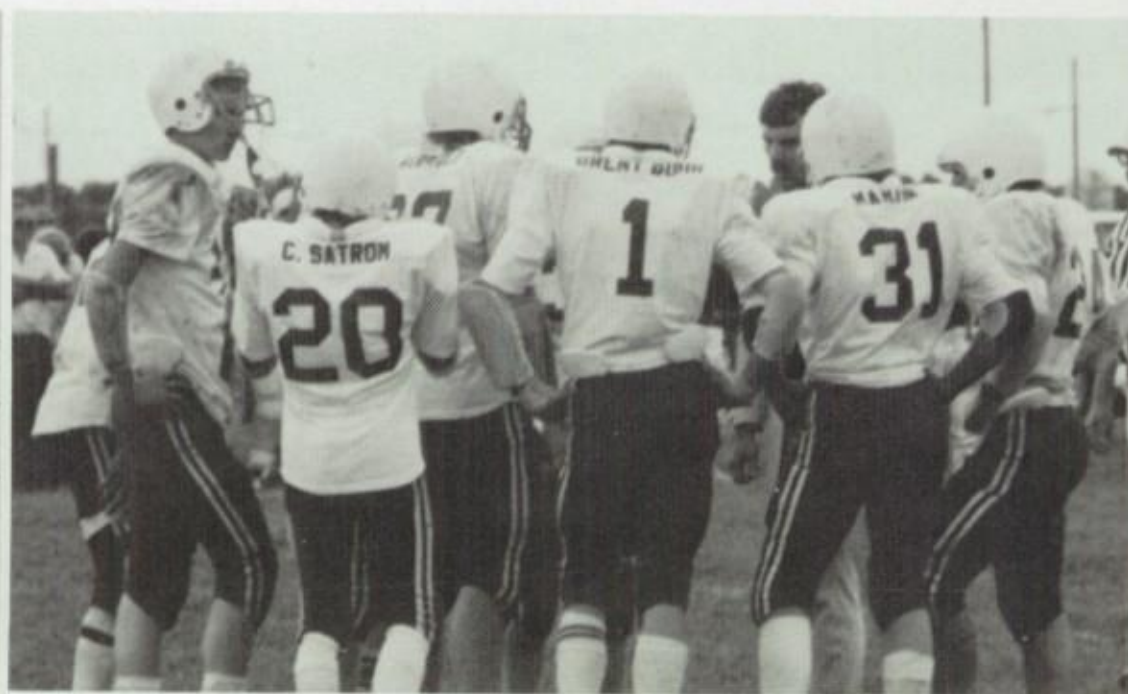

To Begin Again

"We have finished only to begin . . ." was the motto of the 1985 graduates of Page High School. Graduation took place on May 26 and was looked forward to with great anticipation. Thanks to Mr. Lang who addressed the seniors. The day was very special and will be looked upon in later years as a day to remember with happiness.

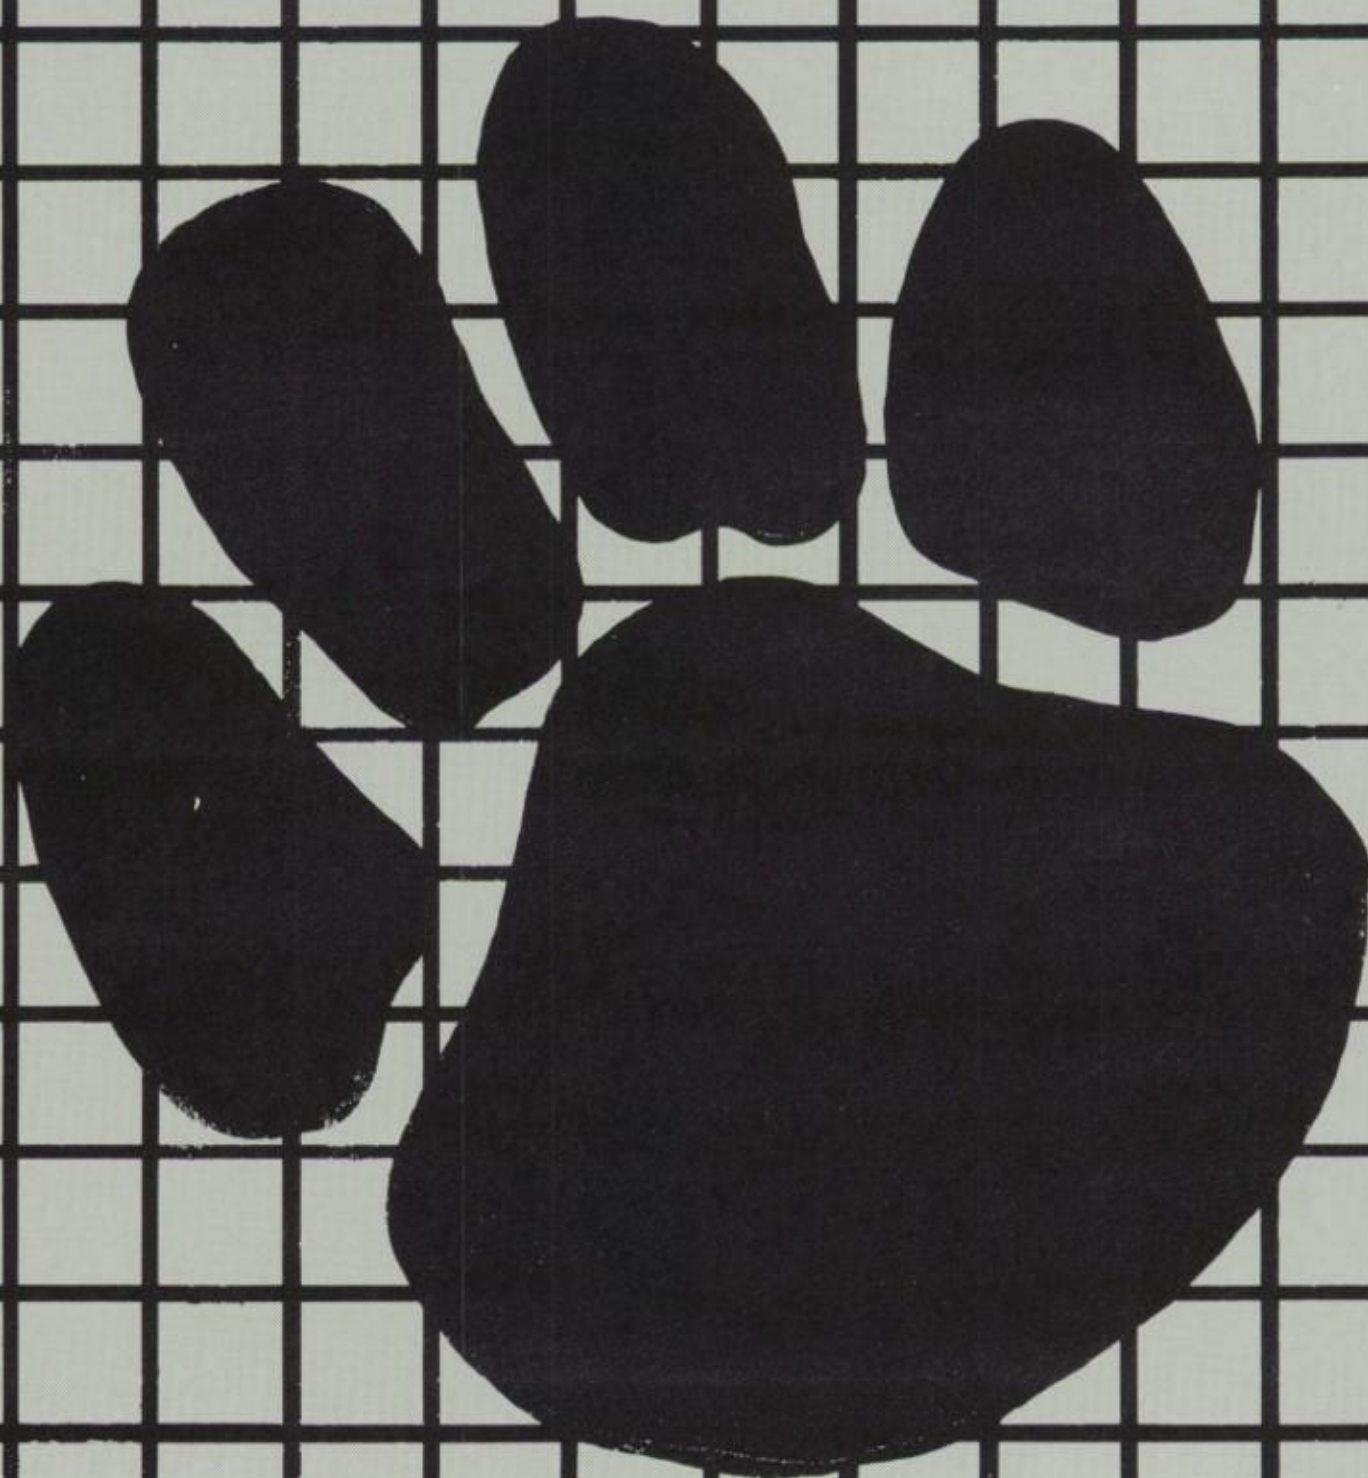

Walking Back

Now that the year has come to
an end,
And the activities are finally
through,
It's always nice to look back and
see
The things we liked to do.
So when books are closed and
pencils are dull
And the school bells no longer
chime,
If you want to recall the
memories,
Just walk back through these
pages in time.
